of Correction

Dear Commissioner:

REQUEST

The Applicant submits that a mistake of a clerical or typographical nature appears in U.S. Patent No. 6,969,191, which mistake was incurred through the fault of the Office. This mistake is described below.

At column 4, line 30, the word "coverge" in claim 1 should be replaced with the word "converge". The Applicant submits that this is a mistake which is:

- (1) of a clerical nature,
- (2) of a typographical nature, or
- (3) of a minor character.

The Applicant further submits that the proposed correction does not involve changes which would constitute new matter or require re-examination. The Applicant therefore requests that the Commissioner issue a Certificate of Correction substantially in the form of the draft Certificate of Correction (PTO/SB/44) enclosed herewith.

For convenience, the Applicant encloses two copies of the draft Certificate of Correction, as well as a self-addressed envelope for the Patent and Trademark Office's use in returning one duly certified Certificate of Correction to the Applicant.

The Commissioner is authorized to charge any applicable fees to the Applicant's Agent's Deposit Account No. 501613.

On the basis of the above remarks, the issuance of a Certificate of Correction substantially in the form of the draft Certificate of Correction enclosed herewith is requested.

Respectfully,
